

About the Walkathon

This is the most important fundraising event of the year for the Cancer Resource Center of the Finger Lakes (CRCFL). All of the money raised remains here in our community to provide programs and services for people with cancer and their loved ones. This year marks our 27th year of this exciting event and we hope you will join us!

About the Cancer Resource Center

We listen and provide information and support to individuals affected by cancer. Assistance is provided in-person at our office at 612 W State St in Ithaca and on the campus of the Cayuga Medical Center. Our mission says it all:

“No one should face cancer alone.”

We began in 1994 as the Ithaca Breast Cancer Alliance (IBCA) and expanded our mission in 2007 in order to serve men and women with any type of cancer. We're proud of the fact that CRCFL is the only cancer resource center of its kind in Central New York.

PARKING
is limited,

Carpooling is strongly encouraged.
Expect traffic.
