

Breast Exam Saturdays

Easy preventive care for busy people.

*Early detection
could save your life.*

Breast Exam Saturday Events are available in honor of breast cancer awareness. Book a Saturday mammogram at a time and location convenient to YOU!

We're making taking care of your health easier. Book your **screening mammogram on a Saturday** that's convenient for you. Even with a hectic schedule, it's essential to carve out time for yourself and your health.

No insurance? No problem. Let us know when you call so that we can get you connected. The NY Cancer Services Program can cover your screening mammogram at no cost to you.

Appointments for mammograms are required and are available between 8 am and 3 pm on each of the Saturday events.

Cayuga Health proudly offers advanced 3D Breast Imaging Technology.
